**Press conferences of Prime Minister Manmohan Singh**

2004 to 2014

A note on the collection

Most of the 81 documents in this collection are proceedings of press conferences. However, they include a few press meetings, briefings and other interactions. These interactions took place in India and abroad, and frequently en route various destinations. Although Manmohan Singh interacted with the press on his travels across the country, there is no record of the proceedings of such events outside New Delhi, other than some photographs and video recordings.

Three National Press Conferences were held in New Delhi . on 4 September 2004, 1 February 2006, and 24 May 2010. Each was attended by over 200 journalists. Five other interactions were major events in terms of the range of issues covered and the number of participating journalists. These events were held on 15 July, 2008, 6 September 2010, 16 February 2011, 29 June, 2011 and 3 January 2014. The meetings on 15 July 2008 and 6 September 2010 were both off the record. However, an unedited transcript of the latter is available in this collection.

The source of each document has been mentioned in each case. Links have been provided to online sources.

Much of the material has been sourced from the Ministry of External Affairs website: <http://www.mea.gov.in/interviews.htm?52/Interviews>. This can be searched by keyword and date.

Some have been obtained from the Press Information Bureau website: <http://pib.nic.in/newsite/erelease.aspx>, which can also be searched by keyword and date.

Two documents have been sourced from personal records.

Most documents can now be accessed in the online archives of the Prime Minister's Office: <http://archivepmo.nic.in/drmanmohansingh/press.php>. The list of press releases can be searched by keyword and by date. However, the date and title of certain documents may be slightly different from this collection

In several cases, photographs and video recordings of the events are also available.
