

**REQUEST FOR PROPOSAL FOR DEVELOPING DIGITAL ARCHIVES FOR PRIME
MINISTERS MUSEUM AND LIBRARY (PMML)**

CORRIGENDUM 1

1. It has been decided to conduct a pre-bid meeting for the Prospective Bidders on 20th August, 2024 at 02:00 PM. The pre-bid meeting would be conducted at the Seminar Room in the Library Building of Prime Ministers Museum and Library, Teen Murti House, New Delhi – 110011. The prospective bidders are also encouraged to e-mail their queries regarding the project to aao.nmml@gov.in before the pre-bid meeting date and time.

2. It has also been decided that the prospective bidders beside quoting for the hardware and software for the project as mentioned in the Financial Bid, also needs to quote for putting up of data as mentioned in the Section 2 of the tender document (Terms of Reference (ToR) & Scope of Work) on the cloud environment for accessing of the records over the internet. The total cloud space needed would be around 150 TB. The Bidder should give details of the Cloud Service Provider (CSP) and it essentially has to be Meity empaneled CSP. The bidder should ensure that all security parameters are put in place before the installed web based document management system is open to the internet. The bidder needs to give cost for hosting data and accessing the same through browser on yearly basis. This cost would not form part of the QCBS method for selecting a suitable vendor and would be treated optional for PMML to implement the same later.
