

**REQUEST FOR PROPOSAL FOR SELECTION OF AGENCY FOR SUPPLY, INSTALLATION AND
COMMISSIONING OF CCTV SYSTEMS AT PRIME MINISTERS MUSEUM & LIBRARY**
RFP Reference No. : PMML/RFP/CCTV/2026 dated 25-06-2026

CORRIGENDUM 1

1. The reply to the queries of the prospective bidders are as follows:

S. No.	RFP Document Reference			Query by the Bidders	Query Response -PMML
	Page No.	Section No	Section Name		
1.	24	3.3.	Pre-Qualification Criteria The bidder must submit EMD.	EMD Exemption is allowed to bidder having MSME certificate certified and inspected by any state/central government organization. It is requested that Central / State Govt PSUs be exempted from submission of EMD	It is clarified that MSME and Central / State Govt PSUs shall be exempted from submission of EMD

2. Based on the discussion during the Prebid It is Clarified that PMML is not considering this Project as mere supply and installation of items such as Cameras etc and therefore Bill of Quantity / Material given in the RFP provided is indicative. In case, any additional software / hardware component is required to make the system operational offered by bidder (and to set up control room to monitor the feed in PMML) and is not part of BoM/BoQ Bidder will have to provide the same and this will be considered in Bidders scope.

S. No	Building	Floor	Coverage (Monitored by Control Room)
1	PMS 2	Lower Ground	All Existing PMS 2 Cameras
2	PMS 1	Upper Ground Floor	All Cameras in this and RFP along with existing cameras installed in Library Building & Planetarium. Bidder needs to aggregate the feed and ensure connectivity / media etc at new control room which will be built at the PMS1.
3	Gate No 2	Main Gate	Bidder will aggregate and provide all (existing and this RFP) Camera Feeds to CISF as per the directives of PMML.
